

# Modular International Inc.

Modular International, at work with the world's leading architects, interior designers and lighting consultants, Modular International remains alert to the emerging trends and swiftly responsive to industry demands. Modular has observed that the public's taste for refinement has sharpened. Clients will refuse lighting solutions that provide functionality without superior visual effect. Modular's distinction is the marriage of engineering achievement with uncompromising elegance of design.

Modular International's standard product line incorporates many company-innovated features, including its patented locking mechanism, lamp shielding retaining ring, trimless new work transformer-accessible series and an extruded aluminum series, Linears®.

Having a sister company, Lighting Accents GmbH, headquartered and producing in Germany we are able to meet worldwide electrical and building standards.

### Note:

#### Light source:

1w high power LED (60pcs shown)

#### Power Input / Frequency:

100-240V AC, 50/60HZ

#### LED Operating Current:

24VDC

#### Operating Temperature:

30°C – 40°C

#### Installation pole diameter:

2" (max)

#### Color temperature:

6500K +- 500K

Die Cast Alum. Body, Stainless Steel Fixing Bracket / Hardware

Model Number	Number of LEDs	Fixture Length (A)	Fixture Width (B)	Power Consumption
MXLD-E-S-30X1-W	30 X 1W	15" [380mm]	7-3/4" [197mm]	38W
MXLD-E-S-60X1-W	60 X 1W	23-1/2" [595mm]	11-1/8" [283mm]	78W
MXLD-E-S-90X1-W	90 X 1W	26-5/8" [677mm]	12" [303mm]	118W
MXLD-E-S-120X1-W	120 X 1W	28" [712mm]	14-7/8" [377mm]	155W
